Sustainable Table

Serving Up Healthy Food Choices

www.sustainabletable.org

Mission Statement:

[Sustainable Table](#) celebrates the sustainable food movement, educates consumers on food-related issues and works to build community through food.

Blurbs:

[Sustainable Table](#) provides a variety of ways to receive up-to-date information on the sustainable food movement and builds community among health conscious consumers via newsletters, blogs, forums and interactive media. A comprehensive Issues section provides links to more information about sustainability topics such as animal welfare, antibiotics, factory farming, hormones, genetic engineering, etc. The Sustainable Kitchen section provides consumers with feature articles on sustainable food and cooking, recipes, sustainable cookbook reviews, cooking tips, and links to sustainable culinary schools.

[Sustainable Table](#) celebrates the sustainable food movement, educates consumers on food-related issues and builds community through food. Projects include [The Meatrix](#), award-winning, humorous [animations](#) on industrial agriculture, and the [Eat Well Guide](#), an online directory of sustainably-raised products from farms, stores, restaurants, and other outlets in the US and Canada.

Other projects of [Sustainable Table](#) include [The Meatrix](#) movies, the critically-acclaimed, award-winning Flash animations on industrial agriculture, and the [Eat Well Guide](#), an online directory of sustainably-raised meat, poultry, dairy, and eggs from farms, stores, restaurants and other outlets in the United States and Canada.
